Future Developments

For the latest information about Form 4506-T and its instructions, go to www.irs.gov/form4506t. Information about any recent developments affecting Form 4506-T (such as legislation enacted after we released it) will be posted on that page.

What's New. The transcripts provided by the IRS have been modified to protect taxpayers' privacy. Transcripts only display partial personal information, such as the last four digits of the taxpayer's Social Security Number. Full financial and tax information, such as wages and taxable income, is shown on the transcript.

A new optional Customer File Number field is available to use when requesting a transcript. You have the option of inputting a number, such as a loan number, in this field. You can input up to 10 numeric characters. The customer file number should not contain an SSN. This number will print on the transcript. The customer file number is an optional field and not required.
